## PROFESSIONAL EXPERIENCES

### SDG SOLUTION SPACE

*Deputy Manager | 2019 – present | Geneva, Switzerland*  
Manage media and outreach of the SDG Solution Space, a multi-disciplinary space where people collaborate and innovate solutions to problems within the SDG framework.

### GREENPEACE CLIMATE AND ENERGY PROGRAM

*Project Assistant | 2019 – 2019 | Beijing, China*  
Analyzed China's international energy and transportation projects with detrimental environmental and social impacts in order to provide policy recommendations on how to help both the environment and the local and Chinese economy.

### NEW ORIENTAL EDUCATION 新东方

*Foreign English Teacher | 2017 – 2018 | Shanghai, China*  
Helped improve Chinese students' English language abilities by focusing on speaking, listening, writing, critical thinking and conversational fluency skills.

### ENGINEERS WITHOUT BORDERS MSU

*Project Manager | 2014 – 2016 | Khwisero, Kenya*  
Led a team of seven undergraduate students on an eight-week engineering project assessment trip to Western Kenya. Responsibilities encompassed the entire life cycle of an international engineering project.

### MONTANA STATE UNIVERSITY

*Program Coordinator | 2014 – 2016 | Bozeman, USA*  
Inspired MSU students to pursue international education through campus lectures and online marketing, putting our team ahead of schedule to double study abroad program trips.

### PGWOOD FLOORS, LLC.

*Industrial Engineer | 2014 – 2016 | Ayutthaya, Thailand*  
Successfully directed preparations of a large flooring factory for meticulous social and technical audits. Introduced ISO-standard quality control techniques and monitoring and evaluation reporting to increase production.

## EDUCATION

### UNIVERSITY OF GENEVA

Master of Science - Innovation, Human Development and Sustainability  
2018 – 2021 | Geneva, Switzerland

Focus on innovation, water policy, education, spatial justice and future cities.

### TSINGHUA UNIVERSITY

Master of Public Policy – Sustainable Development Goals (MPP-SDG)
